What others say about us

Simon-Kucher & Partners was a great partner during our research phase. We appreciated their support, expertise, and partnership throughout the process of developing Uber Rewards.

Barney Harford, COO, Uber

World leader in giving advice to companies on how to price their products.

BusinessWeek

In pricing you offer something nobody else does.

Professor Peter Drucker, Management Thinker

Simon-Kucher & Partners did some excellent work to help us to break one of the great myths in our organisation. They radically changed how we understood our core audience.

Chris Stibbs, CEO, The Economist Group

Pricing strategy specialists.

The Wall Street Journal

No one knows more about pricing than Simon-Kucher.

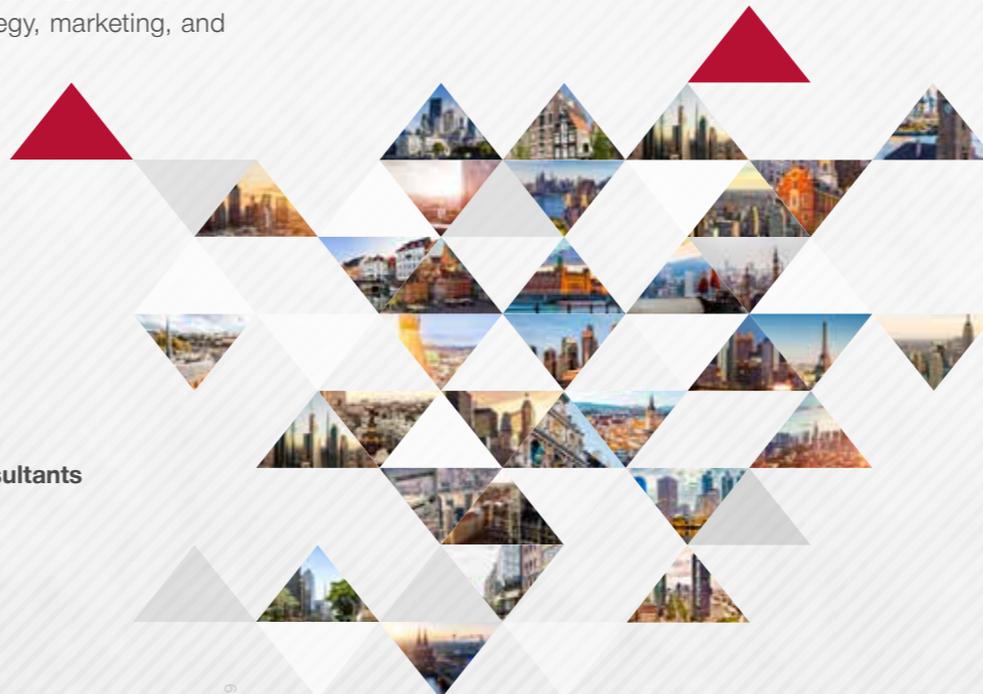

Philip Kotler, Marketing guru

Consulting services

Our focused experts work across all industries and continents, and for companies of all sizes, including hidden champions and unicorns. Digitalization is unsettling established business and revenue models and urging everyone to rethink the way they market, price, promote, and sell products and services. Combining industry, functional and digital/technical expertise, we know how to monetize innovations and transform businesses to keep ahead in the digital world. We advise clients on how to best use digital technologies for optimal results, from big data analytics, machine learning, and artificial intelligence, to tailor-made pricing and sales tools. Seeing our clients succeed is what drives us. Every day. From strategies to tangible outcomes, our solutions are made to last.

Global presence

Founded in Germany in 1985, Simon-Kucher is now a truly global company with around 1,300 employees in 25 countries worldwide. All our associates are experts in strategy, marketing, pricing, sales, or digital technologies and have profound industry knowledge. Simon-Kucher is led by CEO Dr. Georg Tacke and its Board. The Board consists of nine Partners from diverse offices and countries. With closely intertwined global industry practices, we serve our clients seamlessly around the world.

Simon-Kucher Digital

Digitalization creates tremendous opportunities to maximize topline growth. Our experienced digital consultants, industry experts, data scientists, and technology advisors use both data and qualitative insights as a starting point to work on any business challenge. Be it fast prototypes, apps, custom pricing engines, or deep dive data analytics, we provide end-to-end solutions to our clients' digital challenges on all levels. Simon-Kucher has worked with 30+ unicorns over the past years, helping them to successfully monetize their ideas. Being part of this truly digital ecosystem allows us to take best practices from disruptors and innovators and apply them to established companies working on digitally transforming their business.
